

MATHEMATICS

Successful completion of Math 20-1, 20-2, or 20-3 is required for high school graduation

- Students with a mark of **A** in Math 8 are encouraged to register for Math 9 Advanced.
- Any Grade 10 student wishing to take a Grade 11 Math course **must** have 65% or better in the prerequisite course.
- Any Grade 11 student wishing to take a Grade 12 Math course **must** have 65% or better in the prerequisite course.
- Math 30-1 is a prerequisite/corequisite for Math 31. Math 31 is a prerequisite for Math 35 AP.

NOTE: FOR ALL HIGH SCHOOL MATHEMATICS COURSES A GRAPHING CALCULATOR IS A REQUIRED RESOURCE. HUNTING HILLS STAFF RECOMMEND THE TEXAS INSTRUMENTS 83+ OR TEXAS INSTRUMENTS 84 CALCULATORS.
